

Progress to take on typhoid

NATIONAL ACTION

More than
56 million
children vaccinated
in 6 countries

Ongoing
TCV decision-making
and Gavi applications

Outbreak
response
in 2 countries

GLOBAL POLICY

SAGE
recommendation

WHO
recommendation

GACVS
says safe

Gavi
funding

WHO
prequalified
products

Cost of
illness and
cost of
delivery
models

EVIDENCE

TCV efficacy
and coadministration
data
in Africa and Asia

TCV impact on
drug-resistant
typhoid

New
burden
and
surveillance
data

Genomics
research
on drug-resistant
typhoid
